All references that may be made to an investment or portfolio's performance are based on historical data and one should not assume that past performance is indicative of future performance. Furthermore, it should not be assumed that any investment product or strategy directly or indirectly (through links) mentioned in this site will be appropriate or profitable to any particular investor or deliver investment performance equal to the past.

Investing entails risks, including possible loss of principal. There are special risk considerations associated with value strategy investing, international investing (including emerging markets), and small company investing. No assurances or guarantees are given regarding the performance of any investment. Returns, share price, and yield will fluctuate and redemption value may be more or less than original cost.
